(562) 570-7260

Anthony W. Batts
Chief of Police

#2006 – 503

DATE 8 - 8 - 06

Parking Concerns

In the City of Long Beach there are some areas where parking is limited. To facilitate safe parking for everyone, there are a number of parking regulations that are enforced so that cars and pedestrians can safely move around the area. Relevant laws and suggestions that will assist with parking issues are:

- Do not block driveways
- Do not park against red curbs
- Do not park facing the wrong way
- Do not block sidewalks
- Do not park illegally as to prevent the movement of a legally parked vehicle
- Do not block fire hydrants
- Comply with all posted street signs

Abiding by the rules listed above will help alleviate the headaches and save you the valuable time that is lost when dealing with parking issues. The Long Beach Police Department will continue to monitor all city streets to ensure that parking related concerns are addressed. If there is a parking issue that requires an immediate response, like a car blocking your driveway, you can call (562) 435-6711. For non-emergency parking issues, like an abandoned car, please call (562) 570-7241.
